APPEAL LETTER

To,

.....

Warm Greetings from the Organizing Committee of Hormone Rhythm 2026

On behalf of the Central Karnataka Endocrine Society and the Organizing Committee of the Karnataka Endocrine Society (Hormone Rhythm 2026), it is our great pleasure and privilege to invite your esteemed organization to participate in Hormone Rhythm 2026, to be held at Davanagere on 27th & 28th June 2026.

The Scientific Committee is designing an exciting, comprehensive, and academically enriching program, which will include plenary and thematic sessions, free paper and poster presentations, hands-on workshops, didactic lectures, and focused group discussions—encouraging dialogue, debate, and healthy academic exchange.

The conference will host renowned National faculty and is expected to attract over 500 delegates from across Karnataka and beyond. This provides an excellent platform for your organization to promote, publicize, and exhibit your products, while engaging directly with practicing Endocrinologist, Physicians and postgraduate students.

We have always deeply appreciated your continued support and partnership. Conferences of this magnitude are possible because of the mutual trust and collaboration between the medical fraternity and industry partners, which ultimately helps elevate standards of Endocrinology practice and patient care through innovation and research.

We sincerely invite you to join hands with us in making Hormone Rhythm 2026 a landmark academic event, setting new benchmarks in scientific excellence and professional collaboration.

Please find enclosed the Sponsorship Options and Opportunities for Hormone Rhythm 2026

We look forward to your valued participation and support.

With warm regards, _____

Dr. Arpandev Bhattacharyya
